What do You think  
of When you hear  
the word saint?

# The Old Testament Roots of Sainthood

- The Hebrew word often translated for saints is "qedoshim- meaning holy ones, those who belong with God.
    - Used for Angels in Deut. 33:2
    - Used for God's covenant people (Psalms 34:90)
      - yes , I worked the name in two sermons in a row
    - Tied to the idea of covenant
- 
- Loyalty and holy living. ■

Truth is... saints are simply God's people-  
those who are set apart in Christ.

Saints are those who have been set apart by God.

- 1 Corinthians 1:2 paul writes to believers who are "sanctified in Christ Jesus, called as saints
- Paul calls the Corinthians saints, even though they struggled with immaturity and sin.
- The word saint (hagios) means holy, set apart, belonging of God
- Sainthood is not earned-it is declared by God
- through Christ.

# What we do

- You don't grow into sainthood, you grow from sainthood
- Your identity is rooted in God's call, not your past.

Saints are being transformed by the Holy Spirit

- 2 Corinthians 3:19 (NASB)
  - "The wisdom of this world is foolishness before God..."
- Saints are not perfect—they are in process
- Jesus didn't just save us, HE shapes us.
  - Invite the spirit to work in all places
  - Holiness is not self-effort, it is spirit empowered transformation.

# A Saint is called to live as a light in a dark place

1

**Saints shine because  
Christ shines through  
them**

2

**Holiness is not  
separation from  
people, it is separation  
from sin.**

3

**The world has a dire  
need for saints, who  
live visibly different  
lives.**

Stained glass windows are great

But they don't compare to the community of people chasing after Jesus and working everyday to be more like Him.
